

MIKE WALLY WALTER

COMEDIAN

Mike Wally Walter has been working the comedy highways since 1982. He's brought his high energy, politically incorrect (or PC-corporate, when entertaining at private functions) humor to all of the United States and Canada.

Mike just finished a seven-month run at Harrah's casino as the Comedy Star of "Rhinestone Cowgirls" and "Showgirls" which was the basis of the A&E featured series "Vegas Showgirls "Nearly Famous". Fans have described Mike as a cross between Don Rickles and Jonathan Winters...a fact that Mike cherishes, as he is a big fan of both!

Mike may not be famous yet, but make no mistake; he is definitely one of the most consistently funny comics to come out of the Pacific Northwest in the last 20 years. His act is guaranteed fun!
